About Silver Bay YMCA

Silver Bay is a century-old YMCA conference and training center situated on the shores of Lake George in upstate New York. Silver Bay hosts conferences, family reunions and vacations, team building & leadership training on a 700 acre waterfront campus.

- The accommodations at Silver Bay are simple, clean, and comfortable. This is not a Four Seasons resort... please remember that this is a 100+ year old conference center, so at times think "charm" and "rustic."
- To ensure a retreat atmosphere, there are no telephones, televisions, or hair dryers or alarm clocks in the rooms. There is wireless internet throughout campus.
- Cell phone reception on campus can be spotty. There are pay phones in the lobby of The Inn.
- The meals are not gourmet meals - and you certainly won't go hungry!
- No smoking is permitted in any of the buildings on campus.
- Silver Bay is pretty much located in the middle of nowhere. Please keep this in mind when you are packing! There are no shops or restaurants or convenience stores in the area. There is a WalMart located about 20 minutes away.

We look forward to your arrival!
